## Proposals and References

### Proposal 1: Appropriation of Surplus

1. Matters regarding the year-end dividend

As its basic policy, the Company will implement appropriate and stable dividends while seeking to increase internal reserves to reinforce its financial position and management foundation, and by considering consolidated operating results, the group's medium-term business strategy and other factors in a comprehensive manner.

Based on the above policy, the year-end dividend of 22.50 yen per share for the current fiscal year is proposed by considering the operating results for the fiscal year ended October 31, 2017 and the future outlook.

- (1) Matters regarding the assignment of assets to be distributed to shareholders and the total amount thereof  
22.50 yen per share of the Company's common stock, in a total amount of 224,513,618 yen  
As the Company has already paid the interim dividend of 22.50 yen per share, the annual dividend for the fiscal year ended October 31, 2017 will amount to 45 yen per share.
- (2) The date on which dividends of retained earnings become effective  
January 31, 2018

2. Matters regarding appropriation of surplus

Regarding the internal reserves, the Company proposes as follows to reinforce the management foundation in preparation for the future business development.

- (1) Item of surplus to be increased and the amount thereof  
General reserve of 900,000,000 yen
- (2) Item of surplus to be decreased and the amount thereof  
Retained earnings brought forward of 900,000,000 yen
