Product Information

High TEMP.
up to 350°C

High PRESS.
up to 1MPa

**Solid-Liquid
separation**

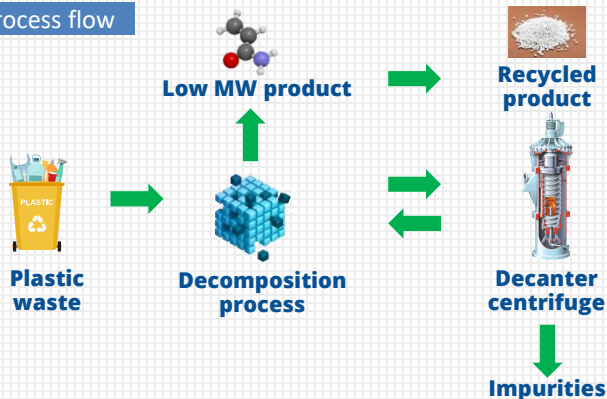

**Vertical
Space saving**

**Continuous
process**

Mass production

Process flow

TRV Series Lineup

TRV085
width : 1,000mm
height : 1,600mm

TRV490
width : 1,650mm
height : 4,400mm

TRV875
width : 2,600mm
height : 5,800mm
